YOUTH IMPACT DIVISION

REMIX RETURN

Late Spring will see the return of Remix! Youth who will be entering Grades 3-5 in the Fall will want to lean in. Those joining early will get some *Behind the Scenes Summer* perks. New Remix boxes begin shipping in Aug. We're bringing weekly Leadership content, challenges, and values-based leadership for the youngest leaders among us.

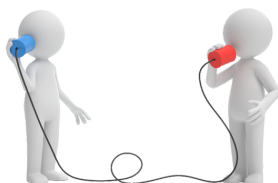

COMMUNICATION MATTERS

Do you feel like your wires are crossed when it comes to communicating with your youth? your partner? at work?

You're not alone. Often they feel it too.

This July the LH Team is bringing a DISC

Communication workshop that will help everyone begin to understand their unique communication wiring and how to use that at home, school, and work.

PARENTING IS HARD

The hardest and most rewarding leadership gig you'll likely have. We don't have to do it alone, and we can learn together. Equip yourself and your family with the tools that lead to success & significance

Beginning in April the **Parenting On Purpose**, or **POP**, Community will launch a monthly virtual opportunity for parents of any-age youth to learn and grow together in our parenting journey.

This Fall in addition to our Crew Cohorts for the Middle & High School Youth will be a NEW Cohort lane just for parents/guardians. Keep an eye out for more information and registration this summer.

Don't forget Coaching - it may be the perfect tool to have as you navigate your personal, professional & parenting goals. Email Chris and book your Complimentary Discovery Session TODAY!
